October 12th	Kay Strong	<b>Perusall</b> is a digital learning platform for motivating reading through collaborative annotation
October 26th	James Garrison	<a href="#">Flexible Academic Structures</a>

\***Jacket Give-Back Faculty Network** consists of BW faculty who attended professional conferences supported by the Faculty Center. The purpose of this network is to disseminate learnings from those professional workshops to the broader BW community. Fall 2021, **Teaching Tech Talks on Tuesdays** will feature materials created by our BW faculty based upon their participation in the Faculty Center Summer Academy 2021.
